

DIONISIJE NOVAKOVIĆ AND ASTRONOMY

Episcop Dionisije Novaković (Boka Kotorska ? Knin ? around 1720 – Sent Andreja, 8/19, XII 1767) wrote among others a manuscript partly with astronomical content, which disappeared during World War II. It is presented here on the basis of the work of Dimitrije Ruvarac published 1924. Some other facts on activities of Dionisije Novaković are added.
